

maestro experiences

Students experience a professional symphony concert at the historic and award-winning Balboa Theatre in downtown San Diego!

During the symphony performance, students hear the in-class curriculum coming to life onstage through the beautiful and inspirational symphony music, with featured multi-disciplinary art forms, such as dance, guitar, vocals, other music genres, all fused with supporting elements such as colorful visuals and audience participation.

Participating Maestro schools receive:

- grade-selected field trip
- detailed docent led presentation
- audio CD
- accompanying lesson plan
- activity packet
- scaffold curriculum
- multi-district student interaction opportunity
- meet-n-greet with professional symphony members
- transportation *not included*
